

1- Cut all white areas off.

2- Fold airplane in half.  
Use a straight edge when  
folding to make folding  
easier.

3 & 4 - This fold info is on  
the plane

5- Now fold at the line  
under Buddy, the pilot.

6- A small piece of double  
stick tape in the middle of  
the plane will help keep  
the whole thing together.

1 - Fold in half

3 - Fold this line next

4 - Now fold this line
