

# Welcome to Hyde Park.

Communication is a big deal here and to get you plugged in to everything you want to be involved in we need some information from you.  
Here's why...

Every week we send out by email the Monday Morning Memo. This has a list of the weekly Clubhouse events and announcements.

The HOA, property management and the social committee also sends out occasional emails.

We also send out a monthly Hyde Park Roster update that has all the homeowners listed along with photos of most of them.

Not all the info you provide needs to be in the roster. If a phone number or email needs to be kept off the roster, please mark it as **private**.

We know this form won't fit all households perfectly. Just adjust it as you need to in order to make it work for your perfect family.
